

Revolutionizing Police Work for the 21st century

DHQ's Master Calendar

Allows scheduling of patrol rotations, community rooms, officers on call, towing company rotations, etc.

- Views can be easily changed to a list or calendar view for quick reference
- Custom fields can be added to perform certain functions or filters for additional views
- Ability to set recurring events
- Set alerts which can be sent to select groups

DHQ's Court Calendar

Organizes and streamlines all police investigation work involving the court system.

- Eliminates headaches for the prosecutor's office when dealing with a variety of court dates involving warrants, domestic orders, trials and Grand Jury
- Streamlines scheduling and rescheduling trial cases in which police officers are called as witnesses and a continuance is issued
- Auto-sends notification to other agencies of officer receipt-of-notification
