

Revolutionizing Police Work for the 21st century

DHQ's Cruiser Check Sheet

- Replaces paper sheets when performing cruiser equipment checks
- Streamlines the process to report if anything is wrong with the cruiser
- Allows service needs to be quickly and easily documented/logged
- Alert Police Garage or DPW via auto-email regarding any vehicle maintenance issues

Benefits:

- ★ Saves time at every shift changeover
- ★ Ensures vehicles are kept in top working order
- ★ Maintenance outage tracking system – allows ease of tracking
- ★ Local DHQ administrators can edit picklists to meet department needs
- ★ All check sheet info rolls up in a report to the IOC for verification/approval
