

# DHQ 5.0 is Your Digital HeadQuarters... in the Cloud

*Developed BY Officers FOR Officers*

# DHQ's Parent Company: Delphi Technology Solutions

~ Trusted by Public Safety Entities for more than 18 years ~

- 2003 - Established as an IT Consulting firm located in Lawrence, MA
- 2005 - Deployed Digital Headquarters (DHQ), to serve the communication needs of law enforcement entities
- 2020/2021 - 70+ departments in 6 states use DHQ
- 2021 - Cloud-based DHQ 5.0 was launched

## Trusted Networking & Software Vendor:

- ★ Specialized in designing secure network infrastructure and developing secure software applications for information sharing
- ★ Full-service Network Provider: Infrastructure; Database integration/management & support
- ★ Extensive experience in upgrading systems: WebEOC, SharePoint, CAD/RMS systems

# What is DHQ 5.0?

- ★ Digital HeadQuarters is a cloud-based app ***designed for law enforcement agencies.***
- ★ Allows the highly secure linking and sharing of critical law enforcement agency information in one place, online.
  - Eliminates communication gaps
  - Streamlines access to critical policing info
  - Reduces/eliminates paper-based systems

Provides an EASY and SECURE way to communicate critical information ***within and between law enforcement departments.***

# A Message from the President

*“The benefits of the instant information sharing available with DHQ cannot be overstated. DHQ allows departments to exchange critical information like never before, further advancing their work in solving crimes, capturing fugitives, and locating missing persons...”*

*The result is an enhanced ability to provide security in our local communities. That’s why we’re proud to offer DHQ 5.0 to US law enforcement agencies.”*

**- James Trombly, CEO, Delphi Technology Solutions**

# DHQ 5.0 Eliminates Communication GAPS

- Ensures instant & secure relay of critical policing information
- Increases effectiveness and timeliness of critical policing work
- Aids in crime prevention
- Accelerates suspect apprehension

*The execution of justice is best served  
with DHQ.*

# Why DHQ 5.0?

DHQ is the ONLY Law Enforcement App designed to:

- Eliminate communication “gaps”
- Ease to Use from any Internet Connected Device
- Secure ONLINE Roll Call/AWA and Administration in the cloud
- Digitize ALL unformatted text, PDFs, documents
  - Making them searchable
- Highly secure

# DHQ 5.0 Modules

SmartPolice		✓
Detail		✓
Gang Unit		✓

# DHQ Flagship Module: “Digital Roll Call”

- Eliminate paper-based Roll Call
- Present, distribute and recall Roll Call information easily online
- Access/Update Roll Call items via any phone, laptop, or tablet
- Image Montage/slider: Scroll through Roll Call & AWA images; Export to AWA as needed

DIGITAL ROLL CALL FEATURE	POLICING BENEFIT
DIGITAL FILE: Allows posts to include any digital file as an attachment.	Photos, videos, or bulletins give your officers clear and definitive information; Allows All Roll Call to be Searchable by Keyword
DISPLAY OPTIONS: Paired with an optional video projector or large screen display standing.	Roll call for every shift becomes completely interactive and dynamic.
MOBILE FRIENDLY: DHQ extends easily to all mobile devices.	Providing quick detailed reference to your deployed resources.
COMMENTS: Secure comments feature.	Each Roll Call item becomes a dynamic two-way communication tool right in the cruisers.

# DHQ's Area Wide Alert via "My Dash"

- Video Capture via app; Attach & Export to create alert
- AWA comments can be added from different police departments
- Sort data by department name, title, data modified, information type
- All information is updated/synced in real time
- Choose departments to share AWA information with
- Allows ease of collaboration with local agencies

# Other Key DHQ 5.0 Modules

- Training & Policy Sign Off
- Digital Crime Bulletins
- SafeWatch
- Digital Cruiser Check Sheet
- Master Calendar / Court Calendar

Optional Modules: SmartPolice / Detail / Gang Unit

# Why Do Other High Performing Police Departments Use DHQ?

*“Digital HeadQuarters has taken our agency to the cutting edge of information sharing...addressing needs I never imagined possible.”*

- Former Chief, Woburn Police Department, Woburn, MA

*“I would highly recommend DHQ to my peers. After several months of using the program, I honestly do not know how we operated without it.”*

- Chief Richard E. Smith (Retired), Wakefield Police Department, Wakefield, MA

*“It would be hard to imagine our Department without DHQ.”*

- Chief Kenneth Coye (Retired), Malden Police Department, Malden, MA
